

## Architects of Life, Architects of Change

2022-1-PL01-KA122-ADU-000079491

Athens, 24-30.09.2023

We cordially invite you to a meeting with representatives of the adult education staff of the European Institute Foundation. The topic of the training will be entrepreneurship. Experts from the European Institute foundation have many years of experience in running their own business, especially in the medical services sector. The meeting will focus on 3 issues related to entrepreneurship:

1. **Entrepreneurship - my life attitude.** During this session, the facilitators of adult education will develop the following topics: active life attitude, entrepreneurship in life, searching for information, collecting, selecting and processing acquired information, improving the ability to present collected materials, developing one's own interests, self-education, the ability to cope with emotions and accept failures with dignity and their appropriateness interpretation.
2. **Entrepreneurship - teamwork.** In this respect, the session will concern arranging schedules; planning and settling joint activities; convincing group members to propose solutions for a common purpose implementation of planned activities, anticipating difficulties in implementing their projects and dealing with them.
3. **Entrepreneurship - communication and promotional skills.** In this area, the session will focus on communication and decision-making, marketing basics, use of digital tools.

Here is the short bio of the invited experts:

**Marcin Szydłowski**, entrepreneur with nearly twenty years of experience. A graduate of the Faculty of Journalism and Political Science at the University of Warsaw, postgraduate studies at the Business School of the Warsaw University of Technology and the MBA program at Lazarski University. He has been associated with the medical industry since 2007, founder and shareholder of two medical chains that he currently manages. Co-creator of the concept of a platform for exchanging medical

data, which is successfully used in one of his projects. A lover of water sports and active mountain tourism. Lives in Warsaw. <https://instytuteuropejski.pl/zespol/marcin-szydlowski/>

**Marcin Gielec**, law graduate of the University of Gdańsk. Instead of a classic legal career, he chose the path of entrepreneurship, which he picked up during his stay in the USA. Since 2006, he has been involved in various business projects as a shareholder, originator, partner, and member of management bodies. Currently involved in the medical, technological and veterinary industry. He has several years of experience as a business and entrepreneurship trainer.
